**Principal – Barnard School (South Hampton School District)**  
**2020-2021 School Year Vacancy**

Barnard School (South Hampton School District) is actively seeking experienced, qualified candidates for the position of Principal, effective July 1, 2020. Barnard School is a Kindergarten through 8<sup>th</sup> grade school currently serving 84 students located in the charming rural town of South Hampton, which borders Amesbury, Massachusetts. South Hampton is located approximately one hour from Boston and twenty minutes from the New Hampshire seacoast. The Barnard School provides its students with unique educational opportunities in a small and caring learning environment. In addition to academic classroom programs, many of which are multi-age and grade, students have the opportunity to participate in Spanish, Chorus, Band, Physical Education, Art, Health, and Technology. They also participate in interscholastic sports, various field trips, and community-based activities.

The school is fortunate to have very involved parents and a supportive community that are willing to partner with staff to ensure that students meet or exceed their potential. The PTO is active in raising funds to support incremental enrichment programs, as well as encouraging parents to volunteer in the school.

The administrative team at Barnard School also includes a Special Education Director, who works closely with the Principal to ensure that the individual needs of students are met.

- licensure or eligibility for a license as a Principal in New Hampshire;
- a Bachelor's and Master's Degree from an accredited college or university, preferably in school administration and/or educational leadership;
