

**School Administrative Unit (SAU) #21
Principal – North Hampton School
2020-2021 School Year Vacancy**

North Hampton School is actively seeking experienced, qualified candidates for their Principal position, effective July 1, 2020. North Hampton is a Pre-K through 8th grade school serving approximately 340 students and is located in a charming seaside town that sits approximately one hour north of Boston. It is home to many small businesses and is a compassionate and driven community that supports public education.

The North Hampton School provides students with unique educational opportunities in a caring environment. In addition to academic classroom programs, students have the opportunity to participate in Spanish, Chorus, Band, Physical Education, Art, Health, Technology, and Outdoor Education. They are also able to participate in a wide array of interscholastic sports, fine art programs such as the annual talent show and spring musical, academic competitions such as CoderZ and MathCounts, many field trips, and more.

North Hampton teachers are exceptionally creative and use integrated curriculum units drawing on multiple disciplines. Our Leadership Council is made up of representatives of each grade and unified arts and leads the work to create and advance the goals of the school improvement plan. Teachers are actively engaged in curriculum writing, instructional improvements, and the creation of competency-based assessments.

The school is fortunate to have very involved parents and a supportive community that are willing to partner with staff to ensure that students meet or exceed their potential. PAL (Parents Active in Learning) raises money each year to fund incremental enrichment programs such as the annual artist in residence. They also promote our sense of community with events such as the Halloween Howl and the Glitter Ball.

The Principal leads an administrative team at the school that also includes the Assistant Principal/Special Education Director and a Curriculum Coordinator.

Qualifications for this position include:

- licensure or eligibility for a license as a Principal in New Hampshire;
- a Bachelor's and Master's Degree from an accredited college or university, preferably in school administration and/or educational leadership;
- a minimum of five (5) years of successful teaching experience at the elementary and/or middle level, preferably in more than one grade level; and
- successful administrative experience at the elementary and/or middle level preferred.

Comparable levels of training and experience may be substituted for the minimum qualifications.

The School Administrative Unit #21 and North Hampton School District are offering a competitive compensation and benefits package for this leadership position, commensurate with experience and qualifications. The start date for the successful candidate will be July 1, 2020.
